†Original notice of the question was received in Hindi.

Sir. The Sports Authority of India promotes sports activities amongst people of all ages at its sports facilities in stadia. Besides having the main sports facility (i.e. Hockey turf, Synthetic Athletic Track, Indoor Halls for Badminton, Table Tennis, Wrestling, Judo, Basketball etc.), each stadium has ancilliary sports facilities which have been developed to provide training. These facilities cannot be utilised for any competitions. However, they are suitable for training/ coaching purposes. In order to optimally utilise all the sports facilities available in the stadia managed by it, the Sports Authority of India carries out the following activities:—

1. Under the Regular Coaching Scheme, training is provided by SAI coaches to local school/college going sports persons at the sports facilities in the stadia. While no fee is charged from national and international medal winners, a nominal fee is charged from others.

2. Under the Pay & Play Scheme, sports persons or those interested in keeping themselves physically fit are allowed to utilise the sports facilities at the stadia under payment of a nominal fee.

3. The sports facilities at SAI stadia are also utilised for holding of National Coaching Camps and National & International sports events. In addition, the facilities are also utilised for conducting sports related activities (Sports Day) of local schools.

(b) SAI manages the following five Stadia in the country which are located at Delhi:—

1. Jawaharlal Nehru Stadium
2. Indira Gandhi Indoor Stadium

3. National Stadium
4. Talkatora Swimming Pool
5. Dr. Kami Singh Shooting Ranges

(c) Details of amount incurred annually on maintenance of the stadia managed by SAI are given in the statement.
